EXPERIENCE

UI/UX Design Intern – Sesame Technologies Pvt. Ltd., Calicut, Kerala
July 2025
- Assisted in designing user-friendly interfaces for web applications.
- Contributed to creating wireframes, prototypes, and design assets under the guidance of the design team.
- Gained exposure to real-world design processes and client requirements.

PROJECTS

SOLVA – Mental Health & Wellness App
- Designed a mobile app that connects users with verified therapists and provides tools for wellness tracking.
- Created user flows, wireframes, and high-fidelity prototypes focusing on accessibility and ease of use.
- Ensured a consistent brand identity with calming visuals and intuitive navigation.

Emergency Fuel Delivery App (In Progress)
- Designing an app that connects users with nearby verified service providers for on-demand fuel delivery.
- Emphasizing safety, reliability, and convenience with real-time tracking, quick booking, and secure payments.
- Working on user interface and experience design to ensure smooth end-to-end service flow.
